## Ski Show Raises \$379 Toward Pool

Approximately 500 people witnessed the first water ski show presented by local teenagers on Lake Okeechobee last Sunday afternoon. The event attracted many from communities all around the lake.

Donations amounting to \$379 were given to add to the Belle Glade swimming pool fund.

The show announced by Bill Eggleston was started by a four girl ski ballet composed of Lisa Humphries, Esther Friedman, Catherine Friedman, and Barbara Wedgworth. They carried flags and greeted the crowd with the skier's salute.

Gordon Corbin and James Chamblaine amazed the crowd with their balanced, turning complete circles on the ice as did Edward Humphries and Wayne Ingram. Sherry Mixson and Ronnie Kirkman on the slalom course.

David Anderson and Charles Schoenfeld received laughs from the crowd as they performed a series of stunts, jumps and jumps the ski ramp. Lynn Corbin dived with a chair on a sled, showing perfect balance.

The show was the highlight of the day was the jumping of the ski ramp by John Miller, Albert Ellis and Ralph Prescott.

Mrs. Jerry McKee received a round of applause for her water ballet accompanied by music.

One-ski positions were performed by John Miller, who skied backward. Ralph Prescott who used the foot hold on the tow line, John Miller and Frank Sauer, jumping the tow line, and Coach Ouellette and John David Chamblaine.

The climax of the show was a three-man pyramid composed of Ralph Prescott, John Miller and Albert Ellis.

Miss Barbara Wedgworth, local girl, was the first to organize the show with the assistance of Miss Lisa May Humphries, also a college student and Coach Hector be the first to give the course for use on the lake.

The enthusiasm and support of the many people attending the show will be partly responsible for a boat and ski club to be organized soon. The club hopes to obtain a ski ramp and a slalom course for use on the lake.

All those interested in joining a water ski club are requested to sign up at Slim's Fish Camp or contact Miss Barbara Wedgworth or Mr. Frank Sauer.

## New Drivers Licenses Are On Sale Today

Driver's licenses for the year 1955-56 go on sale today, Sept. 2 at the Harris Insurance Office in the Herald Building. The price of licenses has been increased 25 cents by the act of the last legislature to provide a fund for Driver Education in all public schools.

The cost of the new licenses will be \$1.50 for operators and \$2.50 for chauffeurs. In order to renew a license it will be necessary to present the license held last year.

Farmers or employers of large numbers of persons may see in all the employees' licenses a group for renewal since it is not necessary for the applicant to appear in person if he presents his last year's license.

After Oct. 1, a license may be renewed only by taking the driver's test or paying a \$1.00 additional penalty for late renewal. Hours for sale of licenses are Monday through Friday 8:30 a.m. to 5:30 p.m. The office will be closed on Monday, Sept. 5, for Labor Day.

## Will Foul Bridge Be Ready For Studies?

Cocky Carlton, city commissioner is in favor of the city working Saturday, Sunday and Monday in order to get the bridge under way for the school children on Tuesday.

The city has not been able to obtain steel for completion of the bridge due to steel shortages until Kenneth Meek, city engineer located some in Lakeport. City Manager C. E. Robinson journeyed over to Lakeport Thursday morning and hopes to have the steel in Belle Glade today so that work can begin at once.

## RESERVED SEATS GOING FAST, SAID PROBLE

Trumble Road, chairman of the South Shore Athletic Council says "There are less than 30 seats left and at \$8 per for the local games they won't last long. Better hurry to get yours."

The Council met Wednesday night at the home of Clarence K. Hargrove and completed arrangements for the coming season.

Officials will wear badges, to identify them; accident insurance will be carried on all players; and up-to-date information will be given in all programs.

A kick-off dinner will be held Tuesday night, Sept. 13, in the school cafeteria at 7:00. The football clinic and jamboree will be held at Pahokee on Sept. 14 at 1:00 p.m. and will include Clewiston, Pahokee and Belle Glade.

## Glades Remembers Its Own Suffering In Liberal Giving

Mrs. Abbie Zumpf delivered to West Palm Beach \$1,020 on Wednesday and several donations have come into THE HERALD since then so that more than \$1,050 has been delivered so far.

Mrs. C. J. Aspey, Mrs. L. L. Price, Mrs. Luther Jones and Mrs. Imogene Fontaine joined as a committee to solicit funds for the disaster area.

The money, without deductions, has been forwarded to the New England area for use with families and individuals.

Many donations are in the making at present and additional funds will be forwarded if delivered to Mrs. Zumpf, members of her committee. THE HERALD is also accepting donations for the storm suffering.

The ready response in many cases was accompanied with the statement, "Yes, I remember when I need it and got it."

## Prof. Speer Combining Vacation And Education

Assistant County Agent Speer is off for a combined business and vacation trip to the University of Florida. He will include two County Agents' conferences or conventions as well as a visit to home folks in Gainesville.

At Gainesville, he will attend the Florida Conference of County Agents, an annual meeting which he will visit his Gwagwa kin folks.

He will attend in Lantana, Mich., a National Conference of Agents and a convention of Biological Scientists.

"We know Prof. will be in Gainesville with the County Agents because there are not many counties that equal ours in agriculture. But Prof. you'd better think that bunch of long-haired scientists!"

## CONGRESSMAN SYD HERLONG reports to Kiwanis and to visiting water conservationists at Leesburg, with distinguished guests at the table. Harold Cole, Executive Vice President of the Florida State Chamber of Commerce (speaker's right) is flanked by Mrs. Marie Bowden, President of the Leesburg Chamber of Commerce. To the extreme right is Dr. J. Wayne Reitz, President of the University of Florida who dropped in for a brief visit to the Water meeting sponsored by the Leesburg and State Chambers.

W. Turner Walls, Col. Herbert H. and Ralph Bang represented the Palm Beach County Resources Development Board on the water panel. The meeting was financed by borrowing long time money to be repaid by cigarette tax.

Byron Herlong, brother to the Congressman, acted as moderator of the water discussions, and was highly complimented on his display of information on state-wide conditions, as well as those of the immediate area particularly discussed during the afternoon.

Mr. Herlong is Chairman of the Governor's Water Resources Committee. James Ball is a member of this important organization that may well formulate Florida's long-time water policy.

## Rams Get Plenty Practice During Past Three Weeks

With two day workouts for the past three weeks, Coach Calvin Peacock reports, boys out for football are in pretty good shape, only a few have sore feet and blistered heels.

"At present it appears that if we can fill about four positions that have not been tested through scrimmage or game experience," Peacock said.

Another indirect test of the team's progress was the fact that the four positions not being tested is the fact that we are short in

## City's Budget Increased \$14,137 To \$359,709 With Present Millage

Belle Glade's budget for the '55-'56 year as recommended by the Planning Board, provides for a \$2,000 fund for hurricane damage, a contingency fund of \$1,000 for emergencies and a Civil Defense fund of \$557 to match Federal funds. The Fire Department budget contains funds for the purchase of a tank truck, and this item is the greatest increase over the 1954-'55 budget. This tank truck will enable the department to arrive at a fire with an instant water supply.

The millage of 15 is held as before.

get shows a decrease of \$900. The Water Department budget also includes an item of \$2,000, Unappropriated Surplus.

The Water Department's total budgeted amount is \$119,400. Mr. Robinson, City Manager

## Ex-Legislator Bollinger Reports To Lions On '55 Session's Doings

"This session accomplished some most effective work and passed much worthwhile legislation, such as flood control, highway pay, provision for Junior College in Palm Beach County, cooperative financial contribution to a local armory and aid to community fairs," former House Member John Bollinger, told local Lions Wednesday.

Among the most progressive measures to become law is the one dealing with the Road Department. The weight of political pressure heretofore has determined where road money was spent, but now, the plan is to have road work done on the basis and need. Your legis-

## South Bay Council Holds The Line On Present Millage

A segment of South Bay taxpayers proposed to the City Fathers that the millage be raised from 3.15 to 4 mills in order to provide funds for permanent improvements. Other tax payers objected, and impressed the Commission enough to maintain present rate of taxation.

At a special meeting of the City Council last Friday night, Councilman I. P. Robert's motion to increase the millage from 3.15 to 4 mills died for lack of a second and the Council voted to keep the millage at its present figure. This action followed objections raised by a group in South Bay if he would benefit for.

After considerable discussion, one property owner stated he was now paying 15 mills in Belle Glade and would be glad to pay the same amount in South Bay if he would benefit from it. Another stated he would be glad to pay 10 mills if the Council would reconsider the raised evaluation on the outlying and unimproved acreage.

Bill Rogers agreed to furnish a bulldozer and driver free of cost to the City for the regrading of the water discussions, and was highly complimented on his display of information on state-wide conditions, as well as those of the immediate area particularly discussed during the afternoon.

Mr. Herlong is Chairman of the Governor's Water Resources Committee. James Ball is a member of this important organization that may well formulate Florida's long-time water policy.

## Twenty-Six Collegians Break Bread With Rotary

Warriors about delinquency and long-faced sanctimonious doubters of the quality of the on-coming generation would find attendance at a Rotary meeting last Friday.

Twenty-six local young ladies and men who are about to "take off" for college, and some who are in each of the four years were guests of the Rotary Club, and provided a program.

Musical numbers by Lee Burry, a native of Belle Glade, on the "Old-Fashioned Pull" (accordion) and Miss Pat Tatum with a delightful vocal selection, were followed by Esther Friedman and Walter Mesley on "What I Expect at College." A firm foundation of home, school and community influence was reflected in what these youngsters told Rotarians they expected; it was self-produced, not too pedantic nor flattered, but too much of the social and care-free attitude.

## Cadets Complete CAP Encampment

Second Lt. Leo James, M-Sgt. Jeanne Willis, Sgt. Dorothy Ivin, and Capt. Frances Sloan, all of the Civil Air Corps Cadets returned Sunday night via plane after successfully completing the 1955 CAP Encampment.

This encampment was held at Strategic Air Command Base, MacDill Field, Tampa, which was the last of a series of camps to receive the B-47 jet bombers. The encampment, held from Aug. 20 to the 26th, included about 212 Cadets from all over the state, all of which received air transportation to and from the base.

Encampment officers were chosen Sunday afternoon, and (Continued on Page Seven)

## Okeechobee Rodeo Sunday & Monday Invites Everyone

In Florida's roughest, toughest rodeo with thrills and spills galore, Pat Clemens of Okeechobee will defend his title of three years' standing against a galaxy of upcoming aspirants from the heart of Chastain, the All-Florida Cowboy. The Cattleman's Labor Day Rodeo, an annual event in Okeechobee, will be a two-day show on Sunday and Monday, Sept. 4-5.

It will be the principal attraction of a big Labor Day celebration and public barbecue, the latter sponsored by the Okeechobee County Chamber of Commerce and held in Flagler Park behind the Chamber of Commerce building. A feature of the Labor Day celebration will be a big parade of rodeo entertainers, cowboys and Indians and celebrities visiting here during the lake weekend, together with local and guest bands.

Among the celebrities expected to attend the event and participate in the rodeo competition will be Jack Bushong, champion bronco rider of the United States who hails from the far west. Among other contenders who push Clemens hard in defense of his title will be Winkie Clark of Davis, top bronco and bull rider of Florida. All the best Class A call ropers in the state will vie for the fastest time in that event.

The annual Okeechobee rodeo is a top show of its kind, approved by the Rodeo Cowboys Association. The competitive events are these specified by the R.C.A.: They include calf roping, steer wrestling or bull dogging, bare bronco riding, saddle horse cutting and bull riding. In addition to these will be several specialty acts. The cloverleaf for women will bring all the big names in Florida, including the top-ranking lady stars.

Among the trick riders booked to perform are the well-known women performers, Nell Austin of Kissimmee, Fay Blackstone of Parrish and Christine Blackstone, a thirteen-year-old daughter of Tom Kirby from Fort Pierce. The big rodeo parade will start at 10:30 o'clock Monday morning. The barbecue will be held at noon with the rodeo opening at 2:30.

Officials for the rodeo are: Pat Clemens, chairman; Zolfo King Kong Smith of Zolfo Springs, announcer; and Floyd Lingle of Kissimmee and Fay Blackstone of Parrish, judges.

There are no old rodeo performers themselves. Lingle is a former world champion cowboy.

FREE MEDICAL FORUMS OPENING ON NOVEMBER 1

The fourth series of the Free Medical Forums, sponsored by the County Medical Society of Palm Beach County will open on Tuesday evening, Nov. 1, in the Auditorium of the Palm Beach High School.

Dr. O. L. Kelley, Chairman of the Forum Committee with Dr. William S. Ande, Dr. C. Brumback, Dr. Sidney Davidson, Dr. V. M. Johnson, Dr. William Y. Sayad and Miss Margaret F. Bodenstein, as Executive Secretary have studied over 21,000 questionnaires which were sent in by parents, PTA members and Women's Club members. "Twenty-six thousand questionnaires were distributed throughout the County by the County Medical Society Auxiliary and this excellent response has impressed not only the Committee but all the members of the Medical Society. Such interest by the public offers the doctors a real opportunity to make the Forums truly the People's Forums," stated Dr. Kelley.

"Mental Health," "Heart," "Skin Diseases," "Eyes," "Cancer," "Disorders of Bones and Muscles" and "Allergies" polled the most votes. Many other subjects were suggested and all have been carefully analyzed by the Forum Committee.

The selection of five forum topics posed a real problem for the Committee. After careful consideration, the Committee decided to bypass "Heart and its ills" as the subject has been requested and used on all previous Forums.

The following topics and Moderators have been selected: Nov. 1—Dr. C. L. Brumback, Moderator—"Diseases of Mind and Nervous System."

Nov. 8—Dr. V. M. Johnson, Moderator—"Cancer and Related Diseases."

Nov. 15—Dr. William S. Ande, Moderator—"Stomach Diseases."

Nov. 22—Dr. Sidney Davidson, Moderator—"Diseases of Muscles and Joints."

Nov. 29—Dr. William Y. Sayad, Moderator—"Eye-Ear Affections in South Florida."

Something new has been added to the 1955 Forums. Moving Pictures on the topic will be shown by several Medical Society members.

The public is invited to submit questions on the topics. All requests are to be sent to 324 South Olive Avenue, West Palm Beach.

**NEWS NOTES  
FROM  
OSCEOLA CENTER**

Miss Florence McBride gave a surprise birthday party for her mother, Mrs. Mildred Hughes, Wednesday afternoon at their home. Those present included Mrs. Pete Johnson and daughter Sandra, Mrs. Hilton Hughes, Mrs. Hill, Mrs. Carl Gilliam and son Steve, Mrs. Arthur Ried and daughter Rosa, Mrs. Cecil Green, Mrs. Donnie V. Reese, and Mrs. Julian G. Riggs. Refreshments were served at the close of the afternoon by the hostess.

Mrs. Cecil Green and Miss June Costner spent a week's vacation in London, Tenn., visiting their father, Mr. Pete Costner, who is in a Home for the Aged in Knoxville, Tenn. Mr. Costner inquired about his friend in Belle Glade and sent his greetings. He is weak, but otherwise in fairly good health. Mrs. Green and Miss Costner also visited Miss Jane Thompson who is confined to the TB Sanatorium in Knoxville. She sent greetings to her friends in Belle Glade.

Mr. and Mrs. Arthur Ried and daughter Rosa spent a week's vacation visiting the Rieds' daughter, Ruby Louise Kibbler and family of Jacksonville and Mrs. Ried's mother, Mrs. Ed Rutledge, of Gainesville.

Mr. and Mrs. Simon Mason and children, Sally and Rose, spent two weeks in New Bedford, Mass., because of the death of Mrs. Mason's mother.

**Rail 42% Truck 58%**  
**Says Fla. Fruit And Veg.**

The Transportation Committee of the Florida Fruit and Vegetable Association met on July 28 in Jacksonville with the originating railroads' Joint Rate Committee for the purpose of discussing a proposed freight rate adjustment for fresh vegetables and non-citrus fruits, according to T. Duncan, Orlando, manager of the Association's Traffic Division.

Among those present representing the Association, in addition to Duncan: Roy Vandegrift, Jr., Sales Manager, Vandegrift-Williams Farms, Inc., Pahokee, Fla.

The situation was presented, statistically in discussion of the volume of fresh vegetables and non-citrus fruits (Avocados, Limes, Mangoes, Cantaloupes, Watermelons) shipped from Florida during the 1954-55 season, just concluded which amounted to 149,022 carlot equivalents, 62,448 carloads or 42 per cent of which moved via rail, 87,220 carloads; 58 per cent via truck.

Ten years ago a total of 66,209 carlot equivalents moved 82 per cent rail, 18 per cent truck, and in the 1954-55 season a total of 38,239 carlots moved 90 per cent rail, 10 per cent truck, according to Duncan.

There was also considerable discussion of equipment, service and related matters pertaining to the movement of fresh vegetables and non-citrus fruits from Florida to destinations throughout the United States and Canada, Duncan stated.

Duncan commented that the railroads are seeking the answer to the problem of truck competition and the fruit and vegetable industry is concerned over the increasing cost of transportation, as well as the availability of equipment when needed.

"Despite the heavy volume shipped from Florida by truck during the past season, there was a time during the fall and for several weeks during the spring when there was a shortage of refrigerator cars," Duncan said.

**Youth Revival At  
Methodist Church**

A Youth Revival for the Lake Sub-District, including Pahokee, Canal Point, Lake Harbor, Clewiston and Moore Haven, will be held at the Community Methodist Church beginning Sunday night, Sept. 4, at eight o'clock will continue each evening throughout the week at the same hour.

The workers for this outstanding event for the interest of Young People will be Dean Martin and Bill Valentine. These two young men are students of Asbury College. Dean is a Junior this year, having served as President of his Sophomore Class. He was elected as President of the Methodist Student Movement on the campus of Asbury for this year. Prior to entering school, Dean was an outstanding member of the High School Band of Avon Park which won many high honors and was most popular with the Young People in Avon Park. He was offered a scholarship by the University of Miami. However, he turned all his time down to attend Asbury College in preparation for the Christian Ministry.

Bill Valentine, most outstanding in his ability to lead the singing and to sing solos. These young men have unusual talents which qualify them for working with Young People. A cordial invitation is extended to the public to attend these services.

Rev. H. E. Garrett, Mrs. Garrett and Timothy returned last Monday from a month's vacation. He will preach at the 11 o'clock service next Sunday and the time he will present Dean Martin and Bill Valentine to the congregation.

**Father Petrie Back  
From Delray Beach**

Father John Clarence Petrie, vicar of St. John the Apostle Episcopal Church returned this week from a month at Delray Beach where he served as supply pastor for St. Paul's church. He will celebrate the Holy Eucharist at 9 a.m. next Sunday and preach a sermon on "The Presence of God." Now that the church has its own building, weekly services become possible. The Holy Eucharist will be offered Tuesday mornings at 7:30 beginning Tuesday.

The Fall term of the Sunday School will begin on Sept. 18 under the superintendence of E. M. Ayres, Jr. The Young Peoples Service will begin its Fall program on Sept. 11.

**Baptist Bible School  
Completed Wednesday**

There was an enrollment of 196 in our Vacation Bible School in the average attendance of 162. The school was climaxed with a picnic last Wednesday morning at the City Park and Commencement on Wednesday night.

September will be Church Training month for Sunday School officers and teachers. Every Monday night during the month the book "A Church Using its Sunday School" will be taught by the Educational Director. The book will deal with the possibilities of our Sunday School and the best methods of reaching the young people. Plan now to attend these classes. The time is 7:30 till 9:30 p.m.

The Baptists students are beginning to return to their respective campuses. Adrian Rashley left on Monday for his youth.

**PROGRESS IN RELIGIOUS ACTIVITIES** is clearly demonstrated above. The steeple for the new Methodist Church is shown between the old ivy-covered House of Worship and the modern plant of a religious congregation.

Rather than abandon the old quarters, they are merely assigned to a new role and as an adjunct in activities of a 1955 version of community religious activity.

The old church building was built piecemeal and with a lot of local hands; the new building was also built piecemeal with due regard for "cash on the barrel-head."

Sophomore year at North Green Junior College in South Carolina.

If you do not attend Church this Sunday—listen to the morning service over WSWN at 11:00 a.m.

**"TITHING" TOPIC OF  
BAPTIST GIRLS AUXILIARY**

"How Juniors Can Tithe" was the program topic of the Baptist Girls Auxiliary Tuesday afternoon at the First Baptist Church Belle Glade.

Taking part on the program and describing ways and means that juniors may tithe were Carolyn Rashley, Joyce Rashley and Nancy Rashley. The GA's are under the supervision of Mrs. Mills Byrom. The opening prayer was given by Sue Geer and the closing prayer by Mrs. Byrom.

**Read Hebrews 12:1-7**  
**If ye endure the chastening, God dealeth with you as with sons.** (Hebrews 12:7)

Children do not like punishment. In fact, no one likes to be reproached or admonished. It is always a difficult task to correct or instruct someone. In truth, it demands great tact not to destroy where one desires to help and build up. Christ can do it for us without offense, and calls forth our everlasting thanks.

Once I saw a great pine of the top of which was cut off. As the pine had grown two tops, which stretched themselves out in opposite directions, the pine had been cut off. The result, the pine had grown two tops, which stretched themselves out in opposite directions, the pine had been cut off. The result, the pine had grown two tops, which stretched themselves out in opposite directions, the pine had been cut off.

How important to awaken to the spiritual values! Only so shall we see the need to cut away from our lives that which is hurtful. When we rely upon God, rather than upon ourselves, our greatest losses are in reality our greatest gains. We take for granted we have enough in self and forget to pray, forget to have connection with God and His resources.

Our merciful Father, Thos. last revealed Thyself to us in Christ. Let us this day be in Thy hand, By Thy grace Thou canst through Him instill a right spirit within us. Let us, our Father, Thy Father, Thos. last revealed Thyself to us in Christ. Let us this day be in Thy hand, By Thy grace Thou canst through Him instill a right spirit within us.

Blessed are those who begin bearing the yoke of Christ in youth. Vilh. Wangvist (Sweden)

Robert T. Convey, president, and Ray E. Dady, vice-president and station director of KWK, Incorporated, St. Louis, Mo., will officially open a new property, 10,000-watt Radio Station W-GTO at Haines City, Florida, on Friday, September 2.

**10,000 WATT RADIO STATION GOES ON AIR SEPTEMBER 8**

A new, powerful radio station has announced its plans to broadcast to thousands of listeners throughout 26 counties in Central Florida, starting at 6:30 a.m. on Friday, Sept. 8.

The station, according to engineering consultants, will cover an area from the Gulf of Mexico to the Atlantic Ocean and from Gainesville to Lake Okechobee. It will be identified by the call letters W-GTO, Haines City, and will operate with 10,000 watts power on a dial setting of 540 kc.

A dedicatory program will be broadcast direct from the W-GTO studio in the Pine Crest Hotel at 2:00 p.m. Invitations have been extended to

mayors, representatives of chambers of commerce and leaders in business, religious and civic affairs throughout the area. Officials of the new station will be on hand to greet them.

In arranging its daily programming schedule, the station has brought to Florida a group of outstanding personality disc jockeys from three key areas in the United States. They will present a wide variety of music and features to appeal to the tastes of a cross-section of listeners of various age groups.

News will be covered by United Press wire services, state-wide, nationally and internationally. A selected correspondent system has been organized throughout the Central Florida citrus, farm and vegetable belt to provide regular daily reports.

Plans for bringing the new station to the "Heart of Florida" were conceived several years ago by Mr. Robert T. Convey, President of KWK, Incorporated of Saint Louis, Mo. He started his career at a disc jockey, announcer, singer, production man and temporary engineer. He joined his company in 1934 when he was 22 years old, the position which he still retains.

Mr. Convey, who has been a frequent visitor to Florida for many years, recognized a need for a powerful regional station in the Central part of the state, which would reach the listening audience in the area.

In commenting on the opening of W-GTO, he said, "we want to bring to Florida the same type of radio entertainment and information programming that has been so successfully developed and perfected during the past 25 years for the listening audience of KWK throughout the Saint Louis area, and it will also be our policy to use the power of W-GTO to serve the needs of public services in our Florida area in close cooperation with worthy civic organizations."

He also announced that Mr. Ray E. Dady, Vice-President and station director of KWK, Incorporated of Saint Louis, has been assigned to W-GTO in Haines City, to launch the new station and supervise its initial operations.

TWO BEDROOM CBS home, modern in every way is being offered to negroes on FHA purchase and payment plan by local farmers, Irvin Zumpf and Bryant Rawls.

If two farmers turn builders and developers, especially when the "leavings" from such an operation must be squeezed out by the drop, THAT'S NEWS!

When this effort is to provide homes for negroes on easy payment plans of FHA, THAT'S NEWS!

The homes are offered in a restricted subdivision, and immediately adjacent to a ten-acre park provided by local folks as exclusively for negroes.

The area is also within short walking distance of an elementary school and a high school that are not exceeded in facilities and equipment anywhere.

ed the control tower and Rapcon Center, where radar machines were demonstrated and explained. Also visited was the Mobile Training Detachment where there were lectures on the electrical system of the B-47 and the KC-97 engine. There were movies on Military Courtesy, B-47 Flight Characteristics and Character Guidance.

Cadets were allowed to visit places and see things which ordinary civilians would never have a chance to see. Saturday afternoon everyone was given a test on everything they were taught at the encampment.

Many friends were made at the encampment, along with a multitude of things learned, and a strong feeling of Americanism gained.

Cpl. Frances Sloan, Squadron P.I.O.

Saturday afternoon held a picnic and a competitive ball game between the boys and girls. Certificates of accomplishment were presented Saturday morning to all who successfully completed the encampment.

Monday morning Cadets were welcomed by a briefing of the AF organization and the SAC Mission. Cadets were later taken on the flight line and shown through C-45, C-119, B-25, B-47, and helicopters. There was a two-hour ride on the crash and rescue boat, the cadets spent four hours on the firing range, shooting M-1's and M-2 Carabines. They were shown the flight simulators, and link trainers of the different type planes, where the base kept their pilots proficient. There were lectures and classes on Base Operations, Survival, the field maintenance squadron, the air police guard dogs, and what the Air Police is and does. In all lectures and classes there was the opportunity to ask questions and to receive expert answers. Everyone visited

**COMMISSIONER LYTAL JOINS "LITTERBUG" CAMPAIGN IN COUNTY**

Palm Beach County's "litterbug" will have a day in court if the practice of dumping garbage along county roads continues.

County Commissioner Lake Lytal said Monday arrests for dumping garbage along county roads will be carried out by the county health department.

Lytal told the "county commission" this week that the "behavior of the citizens of the county has made it necessary to take steps to have them arrested for littering the highways with garbage."

"A nasty habit," was the Lytal explained the situation.

He outlined a plan whereby the health department will make arrests and bring the offenders into county criminal court. Lytal said that appeals to residents to stop dumping garbage along the roads have been unavailing.

"We believe," the commissioner said, "a few arrests will make people realize that the behavior is not becoming to the people of Palm Beach County."

**GENERAL EMPLOYMENT UP THROUGH STATE**

Non-agricultural employment in Florida declined again in July, dropping to 945,100, according to James T. Vocelle, Chairman of the Florida Industrial Commission. General seasonal downturns and continued labor disputes contributed to the current low level.

The July drop marked the fourth consecutive month of contraction, but employment was still 26,100 above the corresponding month in 1954. Finance, insurance, and real estate accounted for the greatest per cent of the twelve months' increase, followed by government and service.

**City Commissioner**

Dear Friends:

As my time is limited, it may be physically impossible to contact you personally, for your support. So may I use this letter to ask you, as a personal favor, for your vote on September 13th.

I feel that:

24 years as an active citizen of Belle Glade

Two terms as City Commissioner

Three years as Director of Palm Beach County RDB.

Seven years as member of Belle Glade's Planning Board

give me the experience and background necessary for the period of rapid growth that will surely be Belle Glade's good fortune in the near future.

If elected, my efforts will be directed toward the following activities:

- (1) Helping to provide for the sound growth of Belle Glade
- (2) Helping to provide for the cultural and recreational needs of our children and parents
- (3) Helping to provide for improvements in the physical appearance of our City
- (4) Helping to provide these activities as we can afford to pay for them.

Thanking you in advance, I am

Yours sincerely,

**Kenneth E. Lutz**
